Seasons OF THE Spirit™

The Best of **Worship**
The Best of **Teaching**

PRICE HOLD

No increase on last year's rates

Dear friends in Christ,

We have some exciting things to share. *Seasons of the Spirit* remains Australia's foremost intergenerational education and worship resource. Based on the Revised Common Lectionary, *Seasons* links Sunday worship to small group studies and education material for all ages with a missional focus. The material is designed for a world-wide audience with our Australian, international editor Susan Burt ensuring that all material fits our southern hemisphere perspective.

Worship, education and mission brought together means that every congregation has the means to deepen faith and discipleship.

One further thing. We know how tough it is to make ends meet, so we have taken the decision to **keep prices the same for this year as last year.**

We hope that it will be one means of encouraging you in your crucial ministry and honouring the partnership which we share in Christ.

May God strengthen you in all you do.

Please note

When you buy *Seasons of the Spirit* you receive 52 weeks of material based on the Revised Common Lectionary (RCL). During the first four weeks of September (Sep 1 – Sep 22), *Seasons* celebrates the Season of Creation, based on the three-year Season of Creation's cycle of readings, which invites congregations to join with all members of Earth's community to "celebrate Earth as a sacred planet filled with God's vibrant presence". In 2019, the Season of Creation will focus on Ocean, Fauna and Flora, Storm and the Cosmos. There will be RCL resources available (online only) for these four weeks and instructions on accessing them are included in your PRINT and DISK resources, and are automatically included with the WEB resources.

IMAGINING, LIVING AND TELLING THE FAITH STORY.

- » The story of the seasons of the earth, the people of God, and the place and purpose of faith in the world
- » The story of the faith journey, from birth to death
- » The story of Jesus and the churches that carry his message.

Seasons of the Spirit has been telling stories for more than 15 years. During that time, it has given form and substance to the words, songs, pictures and ideas of hundreds of storytellers. Those stories have taken a multitude of forms – parables, poems, drawings, prayers, epiphanies, songs, books, paintings, hymns – all driven by a common mission of serving those on the faith journey.
