

# Dance with us

[Capo 5 for chords in brackets]

Words & Music: Philip Garside

*C [G]*                      *G [D]*                      *F [C]*                      *C [G]*

1. When you are trou - bled,                      have no fear,                      have no fear.  
2. Leave be - hind hat - red,                      turn a - way,                      seek the light.  
3. Hear one a - noth - er,                      lov - ing care,                      kind - ness shared.

*C [G]*                      *G [D]*                      *F [C]*                      *G [D]* *Refrain*

Christ has a mes - sage                      we want to share: Come and  
Love one a - no - ther                      no need to fight:  
Hearts and hands o - pen,                      world in our care:

*F [C]*                      *G [D]*                      *F [C]*                      *G [D]*

dance with us,                      sing with us,                      walk a - long our way. Help us

*C [G]*                      *Em [Bm]*                      *F [C]*                      *C [G]*

bring a - live God's king - dom                      on earth to - day.
